Battle Lake 542 Education Foundation Mission Statement:

To augment public funds to support learning beyond the basics. Seek and utilize both the talents and financial resources of individuals, families, and businesses to meet and exceed the learning obligations of our Preschool - 12 students.

A Component Fund of West Central Initiative

West Central Initiative is Confirmed in
Compliance with National Standards
for U.S. Community Foundations.

Battle Lake 542 Education Foundation

About our 542 Foundation

The Battle Lake 542 Education Foundation was organized in 2011 to respond to the ever-increasing needs of our award-winning school district by financially supporting educational programs for all students in Preschool - 12 grades.

The membership of the foundation advisory committee includes individuals who believe that only through community support can we provide the best educational opportunities for our youth. Please visit our website for the current list of advisory committee members.

The advisory committee is proud to work in partnership with West Central Initiative, a regional organization that offers over 25 years of foundation experience, to help guide fund-raising and fund distribution activities.

Our Purpose

To support the strategic learning programs in the Battle Lake School, which hone and enrich the skills and competitiveness of our students, giving them the opportunity and framework to excel during their formal educational years. We believe that by building on critical thinking skills, forming strong societal conscience, and developing positive interpersonal relationships, our students will be better prepared to live and work in a global, technological and dynamic society.

General Education Fund

The General Education Fund gives the advisory committee the most flexibility in designating when and where financial support is most needed.

Endowment Fund

This is the gift that keeps on giving – year after year. The principal is untouched while the interest becomes available to provide for more long-range programs or to supplement the General 542 Education Fund.

542 Club

Named for Battle Lake Independent School District #542, this is a special 5-year pledge program:
